These commodities were exported in accordance with the U.S. Export Administration Regulations, EU 428/2009 export regulations and local laws. Diversion contrary to or local laws is prohibited. Parties receiving these goods agree not to use any export and/or re-export licenses or authorizations that Nouryon or its affiliates holds for securing their own activities unless specifically authorized by Nouryon Compliance Trade Controls and where legally compliant. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S., EU 428/2009, and local export, re-export, transfer, and transshipment regulations.

Militant attacks continue to take place in the Red Sea, causing a disruptive and unpredictable situation for vessel transportation through the Red Sea/Suez Canal. As a result of this extraordinary and unpredictable situation, the Buyer acknowledges that Nouryon (i) may not be able to timely perform its obligations set forth in the Order, either in whole or in part, and shall not be obliged to take any mitigation measures to overcome such delay or non-performance, (ii) shall have the right to proportionately increase the price of the Goods in the event prices of energy, raw materials, transportation or other resources necessary to manufacture and deliver the Goods occurring prior to the agreed date of delivery. The Buyer further acknowledges and affirms that Nouryon is not and will not be held liable by the Buyer or its affiliates for any such non-performance or any damages related thereto.
