GENERAL TERMS AND CONDITIONS

These terms and conditions ("**General ToC**") shall apply when Berg Propulsion AB, a Swedish limited liability company with reg. no. 556567-2416, and/or any of its Affiliates (each "**Berg Propulsion**") provides spare parts ("**Products**"), repair work and other thereto related services ("**Services**").

When a Buyer (as defined herein) in writing or by any other means, has accepted to purchase Products or Services, in accordance with an Order Confirmation, an agreement shall be deemed to have been entered into between Berg Propulsion and Buyer (the "**Agreement**") on the terms set out herein.

DEFINITIONS

In addition to what is set out above, the following definitions shall apply:

"**Affiliate(s)**" shall mean an entity that is controlled by Berg Propulsion and/or any of its direct or indirect subsidiaries.

"**Contract**" shall mean the separately agreed and documented terms specifying the scope, deliverables, roles and responsibilities between Berg Propulsion and the Buyer under the Agreement.

"**Contract Price**" shall mean the price for the supply of Products and/or the total and final price for the provision of Services as stipulated in the Agreement.

"**Buyer**" refers to the company, partnership, or person to whom the Order Confirmation for the supply of Products or provision of Services is addressed, or as otherwise stipulated in the Contract.

"**Order Confirmation**" shall mean the order confirmation document supplied by Berg Propulsion for purposes of confirming the supply of Products or provision of Services to Buyer.

"**Orgalim General Conditions**" refers to Orgalim S 2022: General Conditions for the Supply of Mechanical, Electrical and Electronic Products ("**Orgalim S 2022**") and Orgalime General Conditions for the Repair of Machinery and Equipment R 17 ("**Orgalim R 17**") whereas Orgalim S 2022 shall apply for the supply of Products and Orgalime R 17 shall apply for the provisions of Services.

"**Technical Specifications**" shall mean the technical specifications supplied by Berg Propulsion for purposes of supplying Products and/or providing Services to Buyer, or the content and part numbers specified in the Order Confirmation.

GENERAL CONDITIONS

Unless otherwise is expressly stated herein, the Contract, the Order Confirmation, the Technical Specifications (if applicable), these General ToC and the Orgalim General Conditions shall form part of the Agreement and apply in the order set out below (highest priority above):

1. The Contract
2. The Order Confirmation
3. The Technical Specifications
4. These General ToC
5. Orgalim General Conditions

CONDITIONS OF SALE

The Contract Price is given as a net price. Any value added taxes and any other taxes, duties and dues levied shall be borne by Buyer. Unless expressly stated in the Agreement, the Contract Price does not include freight, handling, delivery, and classification charges and will be charged to Buyer as cost.

The referenced delivery dates are factory ready to ship dates. Partial deliveries and trans-shipments shall be permitted.

The delivery date shall be subject to adjustment in case of late payment by Buyer, alterations to the Technical Specifications or if Buyer is delayed in its approval of preliminary drawings and documentation. In case of late payment, no new delivery time shall be agreed until all outstanding payments have been fully made.

Unless otherwise expressly stated in the Agreement, Products shall be delivered in accordance with INCOTERM 2020 FCA Berg Propulsion Warehouse (Sweden). If the parties have agreed that Berg Propulsion shall arrange for transportation of Products to the Buyer or arrange part of the transport distance, Products shall nevertheless be deemed to have been delivered in accordance with FCA Berg Propulsion Warehouse (Sweden) and such transportation shall be at Buyer's cost and risk. If any other INCOTERM than FCA is agreed, the aforesaid shall apply on a mutatis mutandis basis.

If shipment to the designated port cannot be carried out due to reasons attributed to the receiving port, Berg Propulsion reserves the right to change the delivery destination to the nearest seaport with sufficient capabilities.

PAYMENT CONDITIONS

Buyer agrees that the payment of the due Contract Price in accordance with the Agreement is a material obligation of Buyer under the Agreement.

Any down-payment(s) paid for Products are 100% fully non-refundable in the event of cancellation or termination of the Agreement by Buyer unless the cancellation is due solely to wilful misconduct or gross negligence of Berg Propulsion.

If the Contract Price for Services exceeds or falls below any down-payment paid for Services, the final invoice shall debit or credit Buyer accordingly.

Buyer will be responsible for any and all additional costs incurred as a result of its non-payment or late payment including without limitation, the costs incurred as a result of cancelling or delaying contracts with suppliers to Berg Propulsion and the payment of postponement or cancellation surcharges with an amount no greater than the Contract Price.

If shipment cannot take place due to reasons beyond or out of Berg Propulsion's control, payment shall be effected against presentation of a declaration that the goods are ready for shipment.

All bank charges shall be borne by Buyer.

WARRANTY

Berg Propulsion undertakes to remedy any defect in the supplied Products or provided Services resulting from faulty material or workmanship detected within 12 months of delivery. Berg Propulsion will not remedy defects arising due to normal wear and tear or improper handling of Products or caused or aggravated by omission or improper use or maintenance. The Buyer who wishes to claim remedy for defects shall notify Berg Propulsion in writing within 14 days from when the defect was detected.
